- **WARNING!** Max child weight should not exceed 22kg/48lbs each.
- This product was designed to carry a maximum of two passengers.
- Before use, make sure that reflectors are not obstructed by this product.
- Do not expose this product to fire as it may damage the material.
- Do not use if you suspect the product is damaged.
- After every installation, check that this product does not obstruct the steering capabilities of the bike.
- Do not use this product without an Open Loader or Bamboo Box installed.

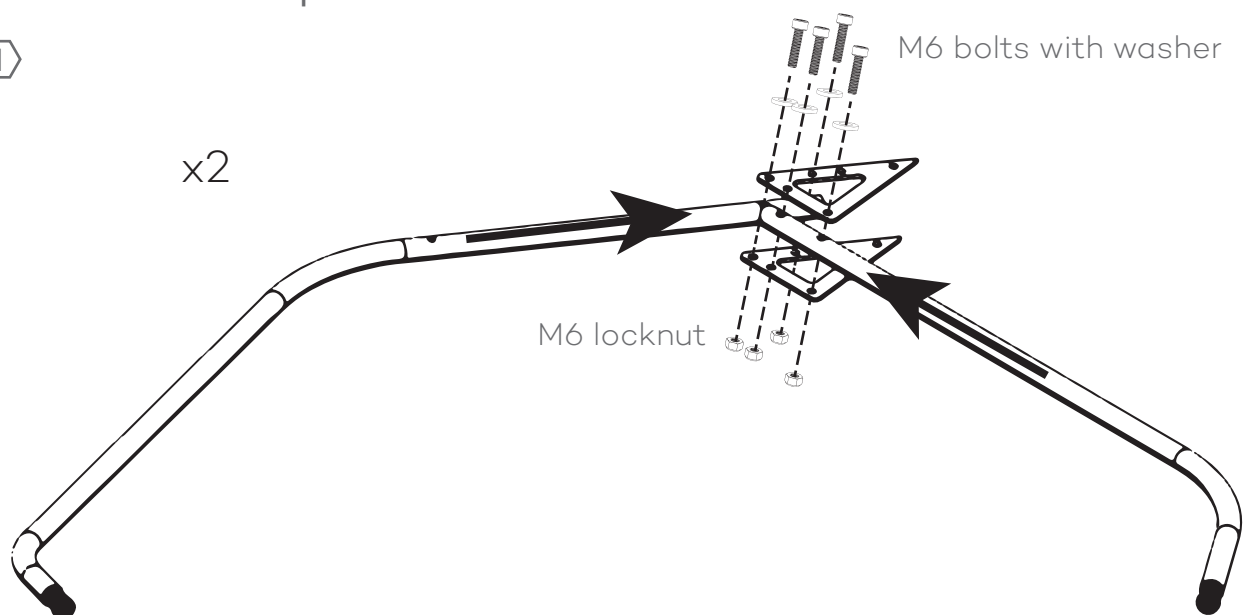

General Warnings

- **WARNING !** Failure to comply with these instructions may lead to serious injury or death.
- **WARNING !** Riding with an additional passenger may alter the riding characteristics of the bicycle, decrease stability and increase braking distances.
- **WARNING !** Never leave a child unattended on the front of a bicycle.
- **WARNING !** Do not use with children who are too small or cannot balance/support their own weight independently.
- Do not allow passenger's body, clothing, shoe laces or other personal items to come in contact with moving parts of the bicycle.
- Passenger should remain seated while bicycle is in motion.
- Ensure passenger is wearing an approved bicycle helmet.
- Never ride in inclement or hazardous situations.
- Ensure a rear reflector is installed and visible when a passenger is aboard.
- Never ride a bicycle at night without adequate lighting.
- Presence of an additional passenger may require alteration of the method used by the rider to mount or dismount the bicycle.
- Care must be taken whenever the rider gets on or off the bicycle.
- **WARNING !** Never allow a passenger to ride with the bar ends exposed.
